Dear Lebanon Township Parents:

Along with this letter you will find the approved school calendar for the 2016-2017 school year. I appreciate your patience in waiting to receive this. In the future, the calendar will be approved and sent to parents during February of each school year.

I also want to share with you a change in the way emergency days will be handled for the coming school year. In an effort to end the school year earlier, we will make up any emergency closings according to the schedule listed below. Rather than adding days to the end of the school year, we will make up any days by utilizing existing holiday breaks.

Days used prior to January 15, 2017	To be made up using Martin Luther King Day (in-service only), and President's weekend.
Days used after January 15, 2017	To be made up using Spring break. (Days will be taken from Spring break starting with the last Friday (April 21) and moving backward through Wednesday (April 19)
Days used after April 21, 2017	To be made up starting with June 15.

It is our goal to end school for the year on June 14, 2017 even if we need to use some emergency days. We will only add days to the end of the year if we have too many emergency days to accommodate using existing days off. Please feel free to contact me with any questions or concerns.

Sincerely,

Jason R. Kornegay
