March 27, 2020

Dear Parents,

Congratulations! We are almost done with Week 2 of remote learning. Please note the following to help you and your child succeed in this new adventure.

Please disregard the "virtual recess" schedule I sent out yesterday and note important information below:

1. Classroom teachers have time set aside in their schedule for sharing with classmates. At this time students can interact and share a silly hat, a pet, or just chat with classmates. It is under the supervision of the teacher and paraprofessionals in that class.
2. We are looking for parent volunteers in each classroom to organize virtual playdates for that class. Please reach out to homeroom teacher directly. Thank you in advance for your help.

Although this time is filled with uncertainty, I am grateful for your partnership and support as we learn and grow together. Please see note below from our literacy coach, Maureen Hall.

Hello, Friends in Lebanon Township,

I thought I'd drop you a little note to say that I'm thinking of you and hoping that you and your families are doing well during this unusual time. I know that you're working hard to keep up your learning, and I hope that you're having some fun, too! I'll bet that you can guess what I've been doing with my time. If you said, "READING!" you're correct. Along with using Zoom to chat with several groups of friends, I've been re-reading all of my old favorite books! Once life has gone back to normal, I hope we all will have learned that the human spirit is resilient, and that we can do anything if we put our minds to it. Remember to keep learning and growing, and we'll return to "real" life as stronger and smarter people!

With Affection,

Mrs. Maureen Hall

In closing, our goal continues to be to create a virtual learning environment that engages students, gives them ownership over their learning, and continues to motivate them as they explore content and experience success. Please remember to contact us with specific needs and keep in touch with our teachers. Thank you for your continued assistance and dedication to learning. Take care of yourself and your families and enjoy the weekend.

Sincerely,

Patricia A. Bell
