Dear Parents,

Thank you for encouraging your child to wear blue today in honor of World Autism Awareness Day. I am looking forward to joining Valley View students today in many Google meetings so we can “Light It Up Blue” together. Today we will celebrate the thirteenth annual World Autism Awareness Day.

Joined by the international community, hundreds of thousands of landmarks, buildings, homes, and communities around the world come together on April 2nd of each year. Our goal is to “Light It Up Blue” in recognition of people with autism and those who love and support them.

Autism-friendly virtual events take place all month, aiming to increase understanding and acceptance of people with autism, foster worldwide support and inspire a kinder, more inclusive world.

Thank you in advance for your support with this extra special event.

Sincerely,

Patricia A. Bell
