April 15, 2020

Dear Parents,

Thank you for all you do to help us succeed. Please note that on Wednesdays students have time at 1 pm to participate in "Arts in the Afternoon." At this time students can catch up on the assignments below:

This **EXTRA** time will offer an opportunity for our students to focus on Special Areas, STEAM, and Enrichment activities. Allowing students this afternoon block will ensure they are taking the time they need to complete these wonderful hands on activities our teachers are providing. Students are encouraged to continue working in these Special Areas during the rest of the week as well so that they are able to reach each Special Area class. We look forward to seeing your children's inventiveness and creativity come to life during "Arts in the Afternoon." Please continue to do your best!

Please encourage your child to participate in our "Spirit Day" activity today and share their pet or favorite stuffed animal. Students can share video recordings with me through Flipgrid and I can incorporate them into my next day's morning announcements.

Please continue to keep in touch with us regarding individual needs and stay in touch with your child's teachers. Take care and be safe.

Sincerely,

Patricia A. Bell
