April 24, 2020

Dear Parents,

Congratulations! We are almost done with week 6 of remote learning. We appreciate everything you have done to keep learning alive at home and are grateful for your partnership.

In an effort to keep students engaged, we will be planning additional fun activities to keep them motivated. More information will follow next week. In the meantime, please ask your children to send me a video recording in Flipgrid under the "School Spirit" topic letting me know how they keep active on a rainy day. At times it is difficult to get outside and we are curious how you stay entertained while getting exercise indoors. Do they have a rainy day song or an original song to share that will encourage others to keep going? I enjoy sharing the morning with our Valley View families and will share more student videos.

In closing, your support means the world to us! Yes, our lives are different now for all of us, but please remember that you are not alone and you can count on us. Please continue to keep us updated and stay in touch with your child's teachers. Enjoy the weekend and stay safe.

Sincerely,

Patricia A. Bell
