Dear Parents,

As we continue to navigate and take on our challenge together of remote learning, please continue to keep the following helpful tips in mind to help you succeed:

1. Limit distraction
2. Make space for learning
3. Maintain breaks such as snack time and recess
4. Allow children to interact with friends via video chats
5. Mix screen time with old school learning mediums
6. Keep in touch with other parents
7. Don't underestimate the power of a schedule
8. Don't let your children treat this as a vacation
9. Remember to schedule time for fun

Please continue to count on us to help you in every way we can during this unprecedented time. We will get through this together. Take care and please keep in touch with your child's teachers and update us with individual needs.

Sincerely,
