Dear Parents,

We hope that your family is staying healthy and strong. It was reported by Governor Murphy yesterday that public schools will not re-open for the remainder of the school year. Remote learning will continue. Updates will be sent out over the next few weeks in order to close out the school year. Thank you in advance for your patience as we continue to navigate this unprecedented event.

Please note that we are in this together and we will do whatever we can to help you and lend our support. Thank you for encouraging your child to check in with their teachers daily and do their best. Please remind them not to eat or drink while using their Chromebook.

It is my pleasure to share the mornings with your children through my daily videos. Please encourage them to send me a flag salute, kindness, or "spirited" greeting. Be sure to select the appropriate topic on Flipgrid. See link: <https://flipgrid.com/bell4681>

Thank you to the LTPTA for the special treats this week in honor of Staff Appreciation. We appreciate your generosity and kindness.

Enjoy the day and thank you for working so hard to keep learning alive in your home. Please continue to keep us updated with individual needs.

Sincerely,

Patricia A. Bell
